... There's a Reason ...

*For every cross we have to bear,
For every heartache, every care,
For disappointments that come our way,
For every dark and gloomy day,
There's a reason.*

*For every teardrop that we shed,
For all the dreams that went unsaid
For every stone that bruised our feet,
When trodding on the endless street,
There's a reason.*

*For every hurt and every pain,
And all the hopes that lived in vain,
For every grief and every plight,
For every lonely hour at night,
There's a reason.*

*But there is One who understands
Our every ache and every pain,
We must put our trust in Him,
It will not be in vain.
For He knows the reason.*
